PROGRAM

FRIDAY, NOVEMBER 20, 2015

Venue: Old University (Address: Grabengasse 1, Heidelberg)

15:00 - 15:15

Room:
Great Hall

WELCOME

15:15 - 16:00

Room:
Great Hall

OPENING LECTURE

Moderator:
Stephanie Bauer (DE)

Severe and enduring anorexia (SE-AN) – Why and how therapists must change
Hubert Lacey (University of London, UK)

16:00 - 17:30

Room:
Great Hall

DEBATE 1

Chair:
Hubert Lacey (UK)

Dimensions are better for characterizing eating disorder conditions than diagnostic categories
Proponent: Markus Wolf (University of Zurich, CH)
Opponent: Ross Crosby (Neuropsychiatric Research Institute, Fargo, USA)

17:30 - 19:30

Room:
Bel Etage

WELCOME RECEPTION

SATURDAY, NOVEMBER 21, 2015

Venue: Crowne Plaza Hotel (Address: *Kurfürstenanlage 1, Heidelberg*)

8:30 - 10:00

Room:
Animus 1&2

PLENARY SESSION 1

Treatment of eating disorders: Novel approaches and outcome

Moderator:
Hana Papezova (CZ)

Novel approaches to the treatment of anorexia nervosa

Ulrike Schmidt (King's College London, UK)

Longterm mortality and outcome in 7.305 former eating disordered inpatients – The Christina Barz Study

Manfred Fichter (University of Munich, DE),
Norbert Quadflieg

Males and eating disorders: Phenotypical characteristics and therapy strategies

Fernando Fernandez-Aranda (University Hospital of Bellvitge, ES)

10:00 - 10:30

COFFEE BREAK

10:30 - 12:30

Room:
Animus 1

PARALLEL PAPER SESSION #A1

Multi family therapy in childhood and adolescent anorexia nervosa: Outcome for 118 patients and the patients' and parents' perceived family climate

Ulf Wallin (Centre of Eating Disorders, SE),
Else Sveningsson

Outcome and treatment satisfaction in multi-family therapy for adolescents with anorexia nervosa

Inger Halvorsen (Oslo University Hospital, NO)

A tower of guilt revisited: How guilt affects families – Perspectives from multi-family therapy groups for adults and from eating disorder professionals

Steven Balmбра (Nordland Hospital, NO),
Mildrid Valvik

Family-based cognitive remediation therapy for anorexia nervosa: Can cognitive remediation elements be incorporated into a multifamily therapy program?

Svetlana Zuchova (Charles University Prague, CZ),
Jaroslava Toutonghi, Hana Papezova

Parental comments and their influence on body dissatisfaction and disordered eating

Daniel Fassnacht (The Australian National University, AUS), Samuel Cheng

Making sense of mixed messages

Stephanie McAlinden (Queens University Belfast, UK),
Lesley Storey, Teresa Rushe

10:30 - 12:30

Room:
Animus 2

PARALLEL PAPER SESSION #A2

Moderator:
Giovanni Ruggiero (IT)

Effectiveness of cognitive behavior therapy-enhanced in a Dutch treatment centre for eating disorders

Elske van den Berg (Novarum, NL), Marjolein Geerts,
Daniela Schlochtermeyer, Jaap Peen, Jack Dekker

Evaluation of a specialized group therapy for compulsive exercise in inpatients with eating disorders: A pilot study

Nina Dittmer (Schön Klinik Roseneck, DE), Sandra Schlegl, Mareike von der Mühlen, Michael Marwitz, Markus Fumi, Claudia Mönch, Katharina Alexandridis, Ulrich Cuntz, Ulrich Voderholzer

From standard CBT to worry, rumination and control focused interventions for eating disorders

Sandra Sassaroli (Studi Cognitivi, IT), Gabriele Caselli, Marcantonio Spada, Giovanni Maria Ruggiero

**Implementation of CBT-E for anorexia nervosa:
Experience from Bergen in Norway**

Stein Frostad (Haukeland University Hospital, NO)

Patient controlled admission

Margaretha Sandved (Stockholms Center for Eating Disorders, SE), Sofia Krohn, Julia Ekeroth

Predictors of treatment outcome in eating disorders: A naturalistic cohort study

Alexandra Dingemans (Rivierduinen Center for Eating Disorders Ursula, NL), Gabrielle van Son, Jiska Aardoom, Kiki Bruidegom, Rita Slof-Op t Landt, Eric van Furth

10:30 - 12:30

Room:
Natura

PARALLEL PAPER SESSION #A3

Moderator:
Markus Moessner (DE)

Evolution of depression 13 years after hospitalization for anorexia nervosa: Links with clinical state and family history of depression

Leslie Radon (Institut Mutualiste Montsouris, FR), Christophe Lalanne, Jeanne Duclos, Florence Curt, Nathalie Godart

Predictive factors of 13 years outcome in anorexia nervosa

Jeanne Duclos (Institut Mutualiste Montsouris, FR), Leslie Radon, Nathalie Godart

One year follow up of adolescent-onset anorexia nervosa after brief hospital admission and outpatient psychotherapy: The Romanian anorexia nervosa study (ANRO)

Oltea Joja (C.I. Parhon National Institute of Endocrinology, RO), Camelia Procopiuc, Iuliana Gherlan, Andreea Brehar, Geanina M. Cîrcei, Diana P. Dudău, Cristina Dumitrescu

Relapse prevention in anorexia nervosa

Tamara Berends (Altrecht Eating Disorders Rintveld, NL), Bernovan Meijel, Willem Nugteren, Mathijs Deen, Unna Danner, Hans W.Hoek, Annemarie van Elburg

Normal weight maintenance at one-year follow-up after inpatient treatment in anorexia nervosa

Marwan El Ghoch (Villa Garda Hospital, IT), Simona Calugi, Elisa Chignola, Paola Vittoria Bazzani, Riccardo Dalle Grave

Childhood trauma is associated with severe clinical characteristics of eating disorders

Lucile Villain (CHU Lapeyronie, FR), Isabelle Jausset, Laurent Maimoun, Maude Seneque, Hamroun Dalil, Eric Renard, Philippe Courtet, Sébastien Guillaume

10:30 - 12:30

Room:
Terra

PARALLEL PAPER SESSION #A4

Moderator:
Markus Wolf (CH)

Against their will: The psychological impact on clinicians who force-feed patients

Richard Sly (University of East Anglia, UK), Lisa Cotter, Catherine Houlihan

From obesity to anorexia

Liv Elisabeth Pedersen (Nordland Hospital, NO), Jannike Karlstad

"Do you see what I mean?". Staff collaboration during mealtimes on eating disorder units – Findings from a qualitative study informed by cultural historical activity theory

Trine Hage (Oslo University, NO), Øyvind Rø, Anne Moen

Mealtime management on inpatient eating disorder units – A mentalization based approach

Kitty Worm-Petersen (Oslo University, NO), Trine Hage

Mealtime management on outpatient eating disorder units – A CBT-E based approach

Tore William Larsen (Oslo University, NO), Benny Hagen, Trine Hage

Mealtime management on outpatient eating disorder units – A family based approach
Tonje Skårsmoen (Oslo University, NO), Trine Hage

12:30 - 13:30

Restaurant Westcoast

LUNCH

13:30 - 15:00

Room:
Animus 1&2

PLENARY SESSION 2

Extending the reach of eating disorder services

Moderator:
Gerard Butcher (IE)

The INTERBED trial: Comparison of cognitive behavior therapy and Internet-based self-help in the treatment of binge eating disorder

Martina de Zwaan (Hannover Medical School, DE),
Brunna Tuschen-Caffier, Stephan Herpertz, Hans-
Christoph Friederich, Stephan Zipfel, Andreas Mayr,
Anja Hilbert

Connecting Internet-based support and conventional mental healthcare

Markus Moessner (University Hospital Heidelberg, DE)

Where do we go from here? A futurescape of the care for eating disorders

Eric van Furth (Rivierduinen Center for Eating Disorders Ursula, NL)

15:00 - 15:30

COFFEE BREAK

15:30 - 17:30

Room:
Animus 1

PARALLEL PAPER SESSION #B1

Moderator:
Eric van Furth (NL)

The effectiveness of an Internet-based intervention for eating disorders and the role of different intensities of therapist support: A randomized controlled trial

Jiska Aardoom (Rivierduinen Center for Eating Disorders Ursula, NL), Alexandra Dingemans, Philip Spinhoven, Joost van Ginkel, Mark de Rooij, Eric van Furth

Perceived barriers and facilitators towards seeking help for eating disorders: A systematic review

Kathina Ali (The Australian National University, AUS), Daniel Fassnacht, Lou Farrer, Amelia Gulliver, Kathleen M Griffiths, Stephanie Bauer

Attitudes towards eating disorders in adolescents in Turkey and Germany

Hayriye Gulec (Uludag University, TR), Markus Moessner, Stephanie Bauer

Can online support enhance help-seeking behaviors in individuals with eating disorder symptoms? A case report from the ProYouth platform

Sally Kindermann (University Hospital Heidelberg, DE), Kathina Ali, Carla Minarik, Markus Moessner, Fikret Özer, Stephanie Bauer

Asking for help? Anonymous online chats on a platform for prevention and early intervention in eating disorders

Carla Minarik (Schön Klinik Roseneck, DE), Markus Moessner, Fikret Özer, Stephanie Bauer

15:30 - 17:30

Room:
Animus 2

PARALLEL PAPER SESSION #B2

Moderator:
Fernando Fernandez-
Aranda (ES)

The impact of personality traits and personality functioning on obesity treatment outcome

Laura van Riel (Novarum, NL), Theo Ingenhoven, Elske van de Berg, Marjolein Geerts, Jaap Peen, Jack Dekker

Weight gain after weight loss surgery

Marjolein Geerts (Novarum, NL), Elske van den Berg, Laura van Riel, Jaap Peen, Jack Dekker

Emotion regulation difficulties in disordered eating and interrelations with personality

Ines Wolz (University Hospital of Bellvitge, ES), Zaida Agüera, Roser Granero, Susanna Jiménez-Murcia, Kim L. Gratz, José M. Menchón, Fernando Fernández-Aranda

Switching from anorexia nervosa restrictive subtype to anorectic-bulimic subtype: Impact of temperament and personality

Yann Mongin (C.M.M.E, Hôpital Sainte Anne, FR), Sophie Criquillion, Aurore Guy-Rubin, Philip Gorwood

An investigation of personality using the NEO PI-R in women with personality disorders and co-occurring bulimia nervosa

Deborah Lynn Reas (Oslo University Hospital, NO), Geir Pedersen, Sigmund Karterud, Øyvind Rø

15:30 - 17:30

Room:
Terra

PARALLEL PAPER SESSION #B3

Moderator:
Lot Sternheim (NL)

Online media and the risk for eating disorders among young adults in Hungary: Diet, fitness and pro-ED pages

Kornelia Szabo (Semmelweis University, HU), Ferenc Túry, Edit Czeglédi

**Problematic physical activity in anorexia nervosa:
Testing potential risk factors against different
definitions**

Melissa Rizk (Institut Mutualiste Montsouris, FR),
Christophe Lalanne, Sylvie Berthoz, Laurence Kern,
Nathalie Godart

The danger of suicide in eating disorders

Viktória Végh (University of Debrecen, HU),
Balázs Ludányi, Pál Szabó

**Social life's role on exacerbating anorexia and
bulimia: Three examples of life styles**

Pascale Zrihen (FR)

**Classifying eating disorders based on “healthy”
and “unhealthy” perfectionism and impulsivity**

Margarita Slof-Op t Landt (Rivierduinen Center for
Eating Disorders Ursula, NL), Laurence Claes,
Eric van Furth

17:30 - 18:30

Room:
Natura

POSTER SESSION

**(P1) Online peer-to-peer support in the Internet-
based prevention and early intervention program
ProYouth**

Kathina Ali (The Australian National University, AUS),
Daniel B. Fassnacht, Lou Farrer, Kathleen M. Griffiths,
Markus Moessner, Stephanie Bauer

**(P2) Young people's attitudes and barriers to
seeking help for eating disorders**

Kathina Ali (The Australian National University, AUS),
Daniel B. Fassnacht, Carla Minarik, Stephanie Bauer

**(P3) The connection between eating disorders and
early maladaptive schemas among youths (on the
example of Armenian youth)**

Mari Avetisyan (Yerevan State University, AM)

(P4) Anorexia Nervosa takes root in the pondero-nutritional-eating basements during childhood's premorbid period

Corinne Blanchet-Collet (Maison de Solenn-Hôpital Cochin, FR), Marie Rose Moro

(P5) Did dieting promote eating disorders symptoms among a population of weight loss maintainers?

Isabelle Carrard (University of Applied Sciences, CH), Maaike Kruseman

(P6) The Exercise and Eating Disorder (EED) questionnaire: A clinical assessment tool

Marit Danielsen (Norwegian University of Science and Technology, NO), Sigrid Bjørnelv, Døyvind Rø

(P7) Understanding psychological risk factors for the onset of eating disorder: A longitudinal study

Daniel B. Fassnacht (The Australian National University, AUS), Markus Moessner, Paulo P. Machado

(P8) Use of videogames as complementary therapeutic tool for cognitive behavioral therapy in bulimia nervosa patients

Fernando Fernandez-Aranda (University Hospital of Bellvitge, ES), Susana Jimenez-Murcia, Juan J. Santamaría, Cristina Giner-Bartolomé, Gemma Mestre-Bach, Isabel Sánchez, Zaida Agüera, Maher Ben-Moussa, Salome Tarrega, José M Menchón

(P9) Live with your body: Acceptance and commitment therapy to increase body acceptance in patients with eating disorders

Maria Fogelkvist (Örebro University, SE), Lars Kjellin, Sanna Aila Gustafsson, Thomas Parling

(P10) Randomized controlled trials of group therapy for eating disorders: Preliminary results of a meta-analysis

Renee Grenon (University of Ottawa, CA), Dominique Schwartze, Nicole Hammond, Iryna Ivanova, Nancy McQuaid, Genevieve Proulx, Jenny Rosendahl, Bernhard Strauss, Giorgio Tasca

(P11) IPT for patients with eating disorder and co-occurring depression

Sanna Gustafsson (Örebro University, SE),
Malin Bäck, Rolf Holmqvist

(P12) Eating disorders and eating pathology in adult patients with ESSENCE

Louise Karjalainen (University of Gothenburg, SE),
Christopher Gillberg, Maria Råstam, Elisabet Wentz

(P13) Inpatient nutritional treatment of anorexia nervosa

Elisabeth Kranzl (FH Gesundheitsberufe OÖ, AT),
Elisabeth Farmer, Marianne Tammegger

(P14) Being me and being us - adolescents' experiences of treatment for eating disorders

Katarina Lindstedt (Örebro University, SE), Kerstin Neander, Lars Kjellin, Sanna Aila Gustafsson

(P15) Coherence of mind measured using the Adult Attachment Interview as a mediator of symptom outcomes in women with binge-eating disorder following group psychotherapy

Hilary Maxwell (University of Ottawa, CA), Renee Grenon, Kerri Ritchie, Louise Balfour, Hany Bissada, Giorgio Tasca

(P16) Psychotic disorders and anorexia nervosa in adolescence.

Renata Nacinovich (University of Milan, IT), Monica Bomba, Francesca Bettera, Nadia De Rudi, Mariella Falbo, Francesca Neri

(P17) Pregnancy and women with a lifetime diagnosis of eating disorders: A qualitative approach

Isabelle Nicolas (Institut Mutualiste Montsouris, FR),
Ada Picard, Maurice Corcos

(P18) Value-based healthcare and eating disorders

Gunilla Paulson Karlsson (Sahlgrenska University Hospital, SE), Eva Hellquist Lindström

(P19) Body Image: Dissatisfaction and Distortion in a group of participants with and without Eating Disorders

Elif Ergüney Okumuş (Istanbul Sabahattin Zaim University, TR), Özlem Sertel Berk, Başak Yücel

(P20) The Moderating Role of Depression on the Relationship between Eating Disorders Symptom Level and Treatment Motivation in Individuals Diagnosed with Anorexia Nervosa and Bulimia Nervosa in a University Hospital in Istanbul

Elif Ergüney Okumuş (Istanbul Sabahattin Zaim University, TR), Özlem Sertel Berk, Başak Yücel

(P21) How do males recover from eating disorders? An interview study

Gunn Pettersen (University of Tromsø, NO), Karin Wallin, Tabita Bjork

(P22) Relationship between anxiety and depression symptoms and nutritional status in anorexia nervosa at discharge and during inpatient treatment

Annabel Pleplé (Institut Mutualiste Montsouris, FR), Mouna Hanachi, Christophe Lalanne, Pascal Crenn, Nathalie Godart

(P23) Do interprofessional educational programmes on eating disorders provide proximal and distal benefits? Findings from a national cohort collected from 1998 to 2010

Jan H. Rosenvinge (University of Tromsø, NO), Gunn Pettersen

(P24) Comparison of sensitivity to facial emotions between patients with Anorexia Nervosa and matched controls using a morphing test (Multimorph): A prospective study

Aurore Guy Rubin (Centre Hospitalier Sainte-Anne, FR), Marion Robin, David Sapinho, Maurice Corcos, Philip Gorwood

(P25) Do Therapeutic relationship and body mass index predict treatment outcome in anorexia nervosa? An analysis using logistic generalized estimating equations

Joana Saraiva (University of Minho, PT), Paulo Machado

(P26) Physical activity in anorexia nervosa: How relevant is it to therapy response?

Sarah Sauchelli (University Hospital of Bellvitge, ES), Jon Arcelus, Nadine Riesgo, Susanna Jiménez-Murcia, Roser Granero, Cristina Botella, Jose Fernández-Real, Gema Frühbeck, Felipe F. Casanueva

(P27) Eating behaviours among the participants of an inpatient weight loss treatment

Kornelia Szabo (Semmelweis University Budapest, HU), Edit Czeglédi

(P28) Personality traits and personality functioning in obese patients with pathological binge eating

Laura van Riel (Novarum, NL), Theo Ingenhoven, Elskevan de Berg, Marjolein Geerts, Jaap Peen, Jack Dekker

(P29) The relationship between coffee consumption and eating disorders

Viktória Végh (University of Debrecen, HU), Balázs Ludányi, Pál Szabó

(P30) Personality patterns predicting food addiction in patients with eating disorders

Ines Wolz (University Hospital of Bellvitge, ES), Zaida Agüera, Roser Granero, Susanna Jiménez-Murcia, Kim L. Gratz, José M. Menchón, Fernando Fernández-Aranda

20:00

CONFERENCE DINNER

Heidelberger Kulturbrauerei

Address: Leyergasse 6, Heidelberg

SUNDAY, NOVEMBER 22, 2015

Venue: Crowne Plaza Hotel (Address: Kurfürstenanlage 1, Heidelberg)

8:30 - 10:30

Room:
Animus 1

PARALLEL PAPER SESSION #C1

Moderator:
Hayriye Gulec (TR)

Is impaired decision-making linked to eating disorders?

Sebastien Guillaume (CHU Montpellier, FR),
Stephane Richard-Devantoy, Philip Gorwood,
Philippe Courtet

Social problem solving skills and the influence of anxiety and anxiety-related processes in patients with anorexia nervosa

Lot Sternheim (Utrecht University, NL), Floortje Smallegoor, Cisca Kruiper, Unna Danner, Annemarie van Elburg

New insight into the pathophysiology of eating disorders

Sergueï Fetissof (Rouen University, FR)

Body dissatisfaction and pain perception in anorexia and bulimia nervosa: In search for more specific endophenotypes and the role of BDNF

Hana Papezova (Charles University Prague, CZ), Lenka Slachtova, Josef Bulant, Anna Yamamotova

Orexin and sleep quality in anorexia nervosa: Clinical relevance and influence on treatment outcome

Sarah Sauchelli (University Hospital of Bellvitge-IDIBELL, ES), Susanna Jiménez-Murcia, Isabel Sánchez, Nuria Custal, Francisco J Tinahones, Rosa M Baños, Rafael de la Torre, Roser Granero, Salomé Tarrega

Is the dysregulation of physical exercise, and its specific impact on emotions, cognitions and pain, an endophenotype of anorexia nervosa?

Hanna Hattena (University Paris Descartes, FR),
Aurore Guy-Rubin, Philip Gorwood

8:30 - 10:30

Room:
Animus 2

PARALLEL PAPER SESSION #C2

Moderator:
Daniel Fassnacht (AUS)

Hometreatment for adolescents with eating disorders

Dagmar Pauli (University Hospital Zurich, CH),
Nadine Hilti, Christiane Schrärer

Identity and eating disorders related characteristics in female adolescent patients with psychiatric disorders

Lars Wöckel (Clénia Littenheid AG, CH), Juliane Günther, Sabrina Rinder, Melanie Achermann

Physiotherapy for patients with severe and enduring anorexia nervosa: A case report

Kjersti Hognes Berg (Helse Nord-Trøndelag, NO)

An integration between a psychodynamic approach and CBT informed by the neuroscience of emotional processing in the treatment of eating disorders: A new therapeutic model

Barbara Pearlman (Independent Psychology Service, UK)

Psychoanalytic psychotherapy for bulimia nervosa – A single case study

Susanne Lunn (University of Copenhagen, DK),
Stig Poulsen, Sarah Daniel

Changing the mind: A new psychodynamic strategy based on sensory way of caring for children and adolescent's anorexia

Florence Askenazy (University Child and Adolescent Psychiatric Department of Nice, FR), Emmanuelle Dor-Nedonsel

8:30 - 10:30

Room:

Terra

PARALLEL PAPER SESSION #C3

Moderator:

Stephanie Bauer (DE)

**Eating disorders in men aged midlife and beyond:
What do we know?**

Deborah Lynn Reas (Oslo University Hospital, NO),
Kristin Stedal

**Prevalence of eating disorders (ED), associated
comorbidities and behaviors: Results of an
outpatient screening survey**

Emilie Latour-Beaudet (Hôpital Raymond Poincaré,
FR), Mouna Hanachi, Claire Rives-Langes, Damien
Ringuenet, Jean-Claude Melchior

**The prevalence of orthorexia nervosa and eating
habits among medical students and engineering
students from Transylvania**

Timea Krizbai (Sapientia-Hungarian University of
Transylvania, RO)

**Mood disorders in Eating Disorders patients:
prevalence and chronology of onset**

Nathalie Godart (Institut Mutualiste Montsouris, FR),
Leslie Radon, Florence Curt, Jeanne Duclos, EVAN
Group

**MooDFOOD: Multi-country collaborative project
on the role of diet, food-related behaviour, and
obesity in the prevention of depression**

Elisabeth Kohls (University Leipzig, DE), Nicole
Mauche, Sabrina Baldofski, Ezgi Dogan, Miguel Roca,
Brenda W.J.H. Penninx, Edward R. Watkins, Marjolein
Visser, Ingeborg A. Brouwer

**Attachment insecurity predicts punishment
sensitivity in anorexia nervosa**

Charlotte Keating (Swinburne University of
Technology, AUS), David Castle, Richard Newton,
Chia Huang, Susan Rossell

10:30 - 11:00

COFFEE BREAK

11:00 - 12:30

Room:
Animus 1

DEBATE 2

Chair:
Hans Hoek (NL)

An evidence-base is required for anorexia nervosa treatment

Proponent: Isis Elzackers (Altrecht GGZ, NL)
Opponent: Anna Keski-Rakhonen (University of Helsinki, FI)

12:30 - 13:00

Room:
Animus 1

BUSINESS MEETING

Introduction of the host for the ECED 2017 Meeting and election of the host for the ECED 2019 Meeting

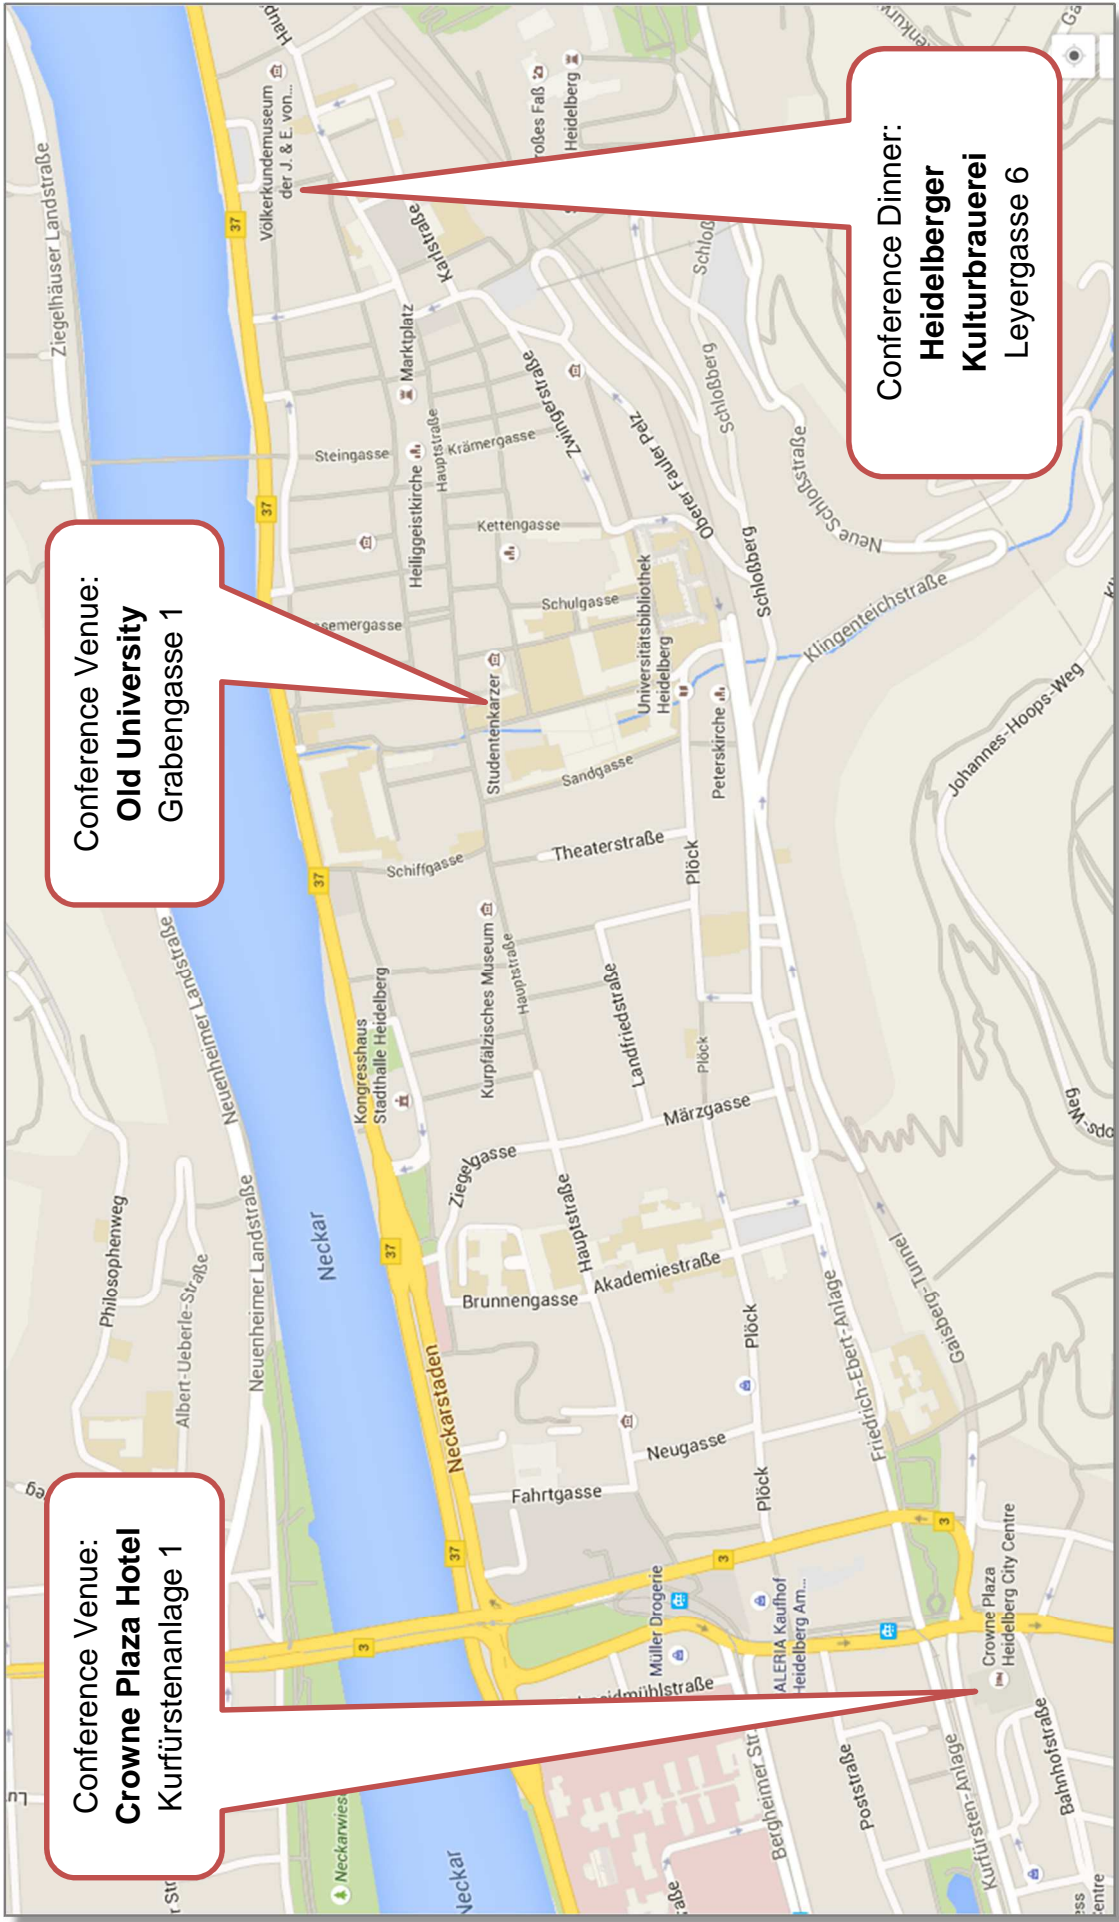

All delegates are invited to attend.

13:00 - 14:00
